

# COMPREHENSIVE BASIC TO INTERMEDIATE IMPLANT TRAINING

FEB, 2026  
**SURREY, BC**

STARTS FROM FEB 2026 | CE 90+ | **\$10,999+ GST**

**EARLY BIRD SPECIAL** ~~\$10,999~~ **\$9,999+GST (Until: 10.01.2026)**

Build comprehensive skills in implant diagnosis, surgical placement, tissue management, prosthetics, and digital workflows under **supervision of board-certified Specialists.**

**DR. NESRINE MOSTAFA:** *BDS, MSC/DIP PROS, PHD, FRCD(C)*

Board-certified prosthodontist specializing in esthetics, implants, and full-mouth rehabilitation. She holds BDS, MSc, and PhD degrees from Alexandria University and the University of Alberta, and completed advanced prosthodontics training at UBC. Dr. Mostafa has served as an Associate Professor at UBC, taught at the University of Alberta, and published in peer-reviewed journals. She also leads continuing education programs and study clubs in prosthodontics, implants, and interdisciplinary treatment planning.

**DR. JILL BASHUTSKI:** *DDS, MS, CERT PERIO, FRCD(C)*

A periodontist and Adjunct Clinical Assistant Professor at the University of Michigan. She previously served as Acting Director of Graduate Periodontics and Director of Undergraduate Periodontics, and completed specialty training and an implant fellowship at Michigan. She has authored over 30 publications and book chapters, including one in the New England Journal of Medicine, serves on editorial boards for leading dental journals, lectures widely on periodontics and implant therapy, and is a recipient of Western University's Junior Alumni of Distinction Award.
